

HELP US BUILD

a SECOND CHANCE!

Have you heard about the 10,000 tails makeover? Come be a part of a community coming together for pets in need.

Second Chance Animal Shelter is on a mission - to make lives better. Because Second Chance is doing so much in the community, we have simply run out of room in our shelter and are in need of a makeover. Second Chance was a finalist in the national zootoo.com makeover and finished a remarkable 13th in the country! However, we did not win the prize of a makeover. So, now we are on a mission - the 10,000 tails makeover. Since our inception in 1999, we have helped an estimated 10,000 pets have better lives. Now, we help over 3,000 each year through adoption, spay/neuter, and other programs. More room is needed to greatly increase what we can do - and you can help.

Every pet that comes into the shelter has a tale to tell and a tail that needs to wag, a face to lick or a purr to sound. We need you! Please consider helping us to make a difference by joining in our 10,000 tails makeover. Construction is anticipated to begin in the Fall of 2009!

Second Chance will gladly accept donations in any amount or you can choose a category. Also, donations of materials or labor will count towards the recognition program outlined below. If you are a contractor and want to lend your services, please fill out the form below or contact the shelter with what you can do to help.
