SECOND CHANCE “PARTY FOR PETS”

Are you having a birthday and want to help pets?

Whether you are having a party at your home or somewhere else, here's a chance to help pets! Second Chance has a program that recognizes kids who give back to the animals called "Party for Pets." This program shows children that even at their young age, they can make a difference in the lives of homeless pets. This program provides a party package for kids who are having a birthday party and are asking for gifts for the shelter pets instead of themselves. The kit includes party favors and a t-shirt for the birthday girl or boy

Plan the Perfect Birthday Bash... that lets you give back to pets in your community!

Host an exciting birthday party with the purpose of letting kids help animals in need and have fun at the same time. Collect dog and cat food, pet toys, paper towels or other items from the shelters wish list. To see a full list of items that are in need, visit our website and click on the "How to Help" tab. We update our wish list along with other ways to help the animals on a regular basis.

In addition, when kids bring the pet gifts to the shelter after the party, they will get a tour of the shelter and have your photo of you and your gifts posted on our social media page.

Fill out this form and either mail or bring the form to the shelter:
