Second Chance Animal Services

Welcomes You To The 21st Annual

DinnerLESS Auction

Second Chance Animal Services™

“More Than Just a Shelter”
Thank you for helping pets during this critical time through the 2020 DinnerLESS Auction. It has been a tumultuous year as together we continue to face challenges we never dreamed of. When we began planning the 2020 Dinner Auction, we were excited to tell you about the amazing year 2019 was for pets in need. We helped an astounding 40,000 animals last year through our veterinary hospitals offering subsidized rates, vaccine clinics in our hospitals and in the community with mobile units, and a myriad of other community programs in addition to our adoption program.

As the March auction was being rescheduled, and rescheduled again, Second Chance staff was rising to every challenge 2020 threw at us, finding new ways to do things so we could continue helping pets throughout the pandemic. Our dedicated staff, now deemed essential, was there for pets and their owners when other veterinary providers were forced to limit or suspend services. We were determined to serve the pets who needed help now more than ever. Emergency surgeries were directed to just one of our hospitals to conserve critical supplies. Veterinary care switched to a curbside process where we continue to see two to three-times our normal caseload, and the Adoption Center began admitting visitors one family at a time with enhanced cleaning in between to safeguard the health of all. Most recently, vaccine clinics resumed with a pre-registration process that eliminated lengthy paperwork and lines; it’s so popular with pet owners that we’ll be keeping it in place.

While we look forward to a time when so many precautions are no longer necessary, Second Chance has embraced this unique opportunity to discover and learn in the name of helping animals as we look forward to our next adventure. Renovations have begun on what will be home to not only our fourth full-service Community Veterinary Hospital in Southbridge, but also a veterinary science teaching hospital in collaboration with Bay Path Regional Vocational Technical High School. The lower level will host a classroom and learning lab for a new Bay Path curriculum where students can complete their vocational education on site and have access to observe and work in a real-world hospital for hands-on training. We are excited to bring this new opportunity to youth who have a passion for animals and want to explore a career in the world of animal welfare.
We offer our deepest gratitude on behalf of all our staff and volunteers, and the many pets you are helping. We hope to be able to celebrate with you in person for the 2021 Dinner Auction scheduled for May 15, 2021 and wish you and family well.

The Best Veterinary Care for ALL!

Second Chance has 3 Community Veterinary Hospitals offering full-service care including in-house diagnostics, digital x-ray and ultrasound, and a surgical staff for routine and elective surgery including dental. While we offer subsidized rates to qualified households, our standard fees apply for all other clients, which helps support our pets in need.

Second Chance is a nonprofit 501c3 tax exempt organization founded in 1999 in East Brookfield and relies solely on donations and grants to operate. We help over 40,000 pets a year though adoption, spay/neuter, veterinary care, community outreach, educational outreach programs, training and a pet food pantry.

**Adoption Center:**
111 Young Road - PO Box 136
East Brookfield, MA 01515
508-867-5525
adoptions@secondchanceanimals.org

www.secondchanceanimals.org
Here’s what your donation can do over the course of a single year:

- **50¢ per day** ($15/month) can provide vaccines and flea treatment for a shelter pet.
- **$1 per day** ($30/month) can provide spay/neuter surgeries for 10 dogs and cats, reducing the number of homeless pets in our community.
- **$2 per day** ($60/month) can provide subsidized veterinary care to 5 dogs and cats, ensuring that people on fixed incomes do not have to surrender their beloved pets because they can’t cover veterinary costs.
- **$2.50 per day** ($75/month) can provide 30 dogs and cats with the opportunity to find a forever home through our adoption programs.
