

SECOND CHANCE ANIMAL SERVICES

111 Young Road, P.O. Box 136, East Brookfield, MA 01515

Volume 18/Issue 1/January 2021

President's Letter

2020 was a year like no other and one that will not soon be forgotten. At Second Chance, when COVID hit, fear turned into determination which turned into innovation. We couldn't stop helping pets. That meant finding a way to keep everyone safe and still carry on our mission. We hit the pause buttons on a few programs while maintaining critical services for a few weeks as we learned to navigate this new and uncharted territory.

It didn't take long for the determination of our passionate staff to create solutions. Soon almost all programs were back up and running and at nearly full operations. It's been a long year but one that has helped us to come out on the other side with new ways to help pets, to quickly lead the way for others.

Equally amazing was the support we received during this time from those who have grown to know Second Chance. While donations quickly declined as everyone was trying to figure out what was going to happen to them and their own families, there was an overwhelming increase in those rallying behind what we were working to do. It was greatly appreciated and helped our tired team to feel good at the end of the long days.

There were so many emergency surgeries and urgent medical issues that came through our doors as vet hospitals around us closed or limited services. Our hospitals took in as many as we could. The sentiments of appreciation and understanding were truly heartwarming.

I want to thank all of you for your support as we navigated, together, this unprecedented time. It was appreciated and was a much-needed boost to all. We are all excited as we begin to see the light at the end of this long tunnel. We know we have a ways to go, but it is getting brighter.

We are excited by the prospect of being able to do more with the lessons we've learned throughout 2020. New processes, reimagining old ways to new, and working together to be there for the pets that need us most. The voices of animal lovers have always been the strongest when they come together – and now our work together can be stronger than ever as we have all grown closer and our voices stronger, working to ensure that no pet is left behind. Thank you.

Sheryl Blancato

President

COVID Can't Stop the Future of Animal Welfare

- An Update on the Second Chance Southbridge Community Veterinary Hospital

Last January we were excitedly making plans for our newly announced Southbridge Community Veterinary Hospital & Bay Path Veterinary Educational Center at Second Chance. Our fourth veterinary hospital would not only help pets in a very underserved community but would also provide a learning lab and real-world experience to Bay Path Vocational Technical High School students planning a future caring for animals. Bay Path students were ready to help by putting their skills to work as together we would build the future of animal welfare.

Work had just begun with demolition when COVID sidelined Bay Path students working on the project. Following COVID protocols, students would be offsite indefinitely. Second Chance, no stranger to adversity, was determined to keep the project on track. The need is great in the Southbridge pet community - we had to do everything possible to keep the project on track to help the pets that need us. Additional contractors were brought in to keep the project moving along until students were able to return. At press time, the floors are done, and the plumbing has been roughed in. Bay Path students are back onsite, helping with the walls and the electric.

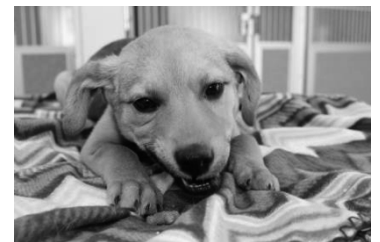

The hospital is expected to be ready to open on schedule this summer, offering year-round, full service veterinary care. As with all our hospitals, subsidized rates will be available for qualified households. This has never been more important. So many pet owners are financially affected by the pandemic and our hospitals continue to help two to three times the number of pets needing emergency care.

The Bay Path veterinary science program is expected to begin in the Fall of 2021.

Room sponsorships are still available – visit www.secondchanceanimals.org/room-sponsorships/ or email development@secondchanceanimals.org.

Be a Pet Pal Champion – become a monthly donor and help pets all year long.

- 🐾 50¢ per day (\$15/month) will help provide lifesaving vaccines for pets.
- 🐾 \$1 per day (\$30/month) will help provide spay/neuter surgeries for dogs and cats.
- 🐾 \$2 per day (\$60/month) will help provide affordable emergency care so pets can remain with a beloved owner who is on a fixed income or facing financial challenges.
- 🐾 \$3 per day (\$90/month) will help rescue at-risk pets from overcrowded shelters across the country.

Enrolling is easy. Check off the paw print on the last page and include your credit card info and we'll take care of the rest OR visit www.secondchanceanimals.org.

A Major Milestone – 250,000 Pets Helped

At the end of December Second Chance quietly passed a remarkable milestone. **We have helped a quarter of a million pets since Second Chance began as a small shelter on the side of our founder's porch in 1999.**

Two puppies getting ready for spay/neuter surgery as they prepare to find their forever homes.

Over 16,000 pets have found their forever homes

Almost 60,000 pets have received spay/neuter surgeries

Plus, over 175,000 more pets have been helped through our veterinary hospitals, pet food pantry and all the other programs that have helped pets in need throughout the years.

Cookie is just one of the many lives saved through emergency surgery in 2020.

Our Pet Food Pantry program continues to grow, providing more pet food to more local food pantries so no pet goes hungry.

Project Good Dog Graduate May was once fearful of everyone and everything. Today she is silly, quirky, affectionate and playful companion thanks to this groundbreaking program.

The Homebound to the Rescue program brings veterinary care to pets of senior pet owners who can't easily come to us.

Saving the Delaware Darlings

In September Second Chance was called to help with what may be Delaware's largest ever animal rescue intake – 183 pets. Twenty-nine cats that had been living in deplorable conditions found refuge at our Almost Home transport facility while our veterinarians tended to their medical needs.

Many of the cats were in need of dental care. Some needed treatment

for skin conditions and body sores.

Several were underweight. The cats

had been through so much so Second Chance made it a priority to help them find homes while they received

ongoing care by making them available as "foster to adopt." We knew most of the cats would do better recovering with their new families. All the cats appeared to be very well socialized and were adopted quickly.

Thank you for remembering the animals with your memorial donations.

A Second Chance for Chance

Chance is a one-year-old male American Staffordshire Terrier who came to Second Chance in need of so much help. This poor pup was born with entropion - a genetic abnormality that made his eyelids curl in, causing hair to rub on the surface of his eyes. He was so uncomfortable.

At press time, Chance is currently recovering from surgery at our North Brookfield vet hospital to correct this condition, but Chance is in need of an additional surgery. He's suffered from ear infections his whole life, which has scarred his ear canals so badly that we cannot even fit a q-tip into his ear canal. His ears are very painful from the scarring and recurrent ear infection.

Second Chance veterinarians are planning to perform a total ear canal ablation surgery. This TECA surgery involves the complete removal of the ear canal, leaving only the flap (pinna) which will make Chance much more comfortable.

We can only imagine how uncomfortable this pup's entire life has been and we are so grateful for your support so we can help free him from pain and discomfort.

Following his recovery, Chance will be looking for his forever home.

Happy Updates for Two Very Special Second Chance Alumni

Dante, the shy, scared beagle mix who came to Second Chance with a broken leg after she was hit by a car and escaped from her foster to travel 15 miles back to Second Chance where she first knew love has finally found her happily ever after!

Dante's new owner tells us the scared pup is learning to trust. *"She is beginning to trust me to be good to her, leaning her head on my knee, letting me scratch her head, ears, neck."*

We also received a wonderful update on Quincy. We are so proud and so happy for this good boy who's overcoming his challenges for an amazing 'Second Chance.' Our dedicated staff and volunteers worked with this once scared deaf dog day and night, teaching him sign language. His new owners are doing everything they can to help him live his best life. They tell us he continues to improve and is able to go everywhere with them and does great in public.

Thank you for remembering the animals with your memorial donations.

Second Chance Animal Services 22nd Annual Dinner Auction

Fetch! Sit! Stay!

Our **Annual Dinner Auction** is our largest and most important fundraiser of the year. Because we need to be there for all the pets who need help now, we invite you to **Fetch, Sit and Stay** for pets in need on **Saturday, May 15th.**

 **Fetch** your dinner & swag bag from the **Southbridge Hotel & Conference Center** on the day of the event. We'll have a selection of must-see auction items on display for viewing and a ticket raffle.

 **Sit** down at home and join us online as you enjoy your dinner.

 **Stay** tuned as we share some amazing stories of some of the animals that together we've helped, then head over to our online auction where you can bid on gift baskets, trips, gift cards and more. We'll have 3 weeks of auction fun helping pets in need!

#FetchSitStay

Help Pets & Help Your Favorite Restaurant!

For over twenty years, local restaurants have been our partners, helping pets in need by donating gift certificates to our Dinner Auction and Golf Tournament. Times are tough for our restaurant friends right now, so we're encouraging supporters to consider purchasing a gift certificate to a local restaurant to donate to Second Chance for upcoming fundraisers.

Your gift certificate can change the life of a pet and help struggling restaurants.

Thank you for remembering the animals with your memorial donations.

Thank you for the outpouring of tribute donations. We did our best to include as many as possible.
Tributes received after December 31st will be included in our next print newsletter.

Hats Off to Second Chance Volunteers!

We are grateful to all the Second Chance volunteers who have found ways to volunteer and support Second Chance despite the challenges of COVID. One group of volunteers shared their artistic talent, raising \$2,100 creating "Poorly Drawn Pet Portraits." A number of volunteers were anxious to return the Adoption Center to help with animal care the minute we announced a plan to safely allow a limited number of volunteers in the building. And there are many more volunteers helping in our vet hospitals, bagging or delivering pet food for our pet food pantry program, taking home bedding to prepare it for use at the adoption center and more. Thank you!!! We could not have accomplished all we have without your help!

**SECOND CHANCE ANIMAL SERVICES
NINTH ANNUAL
